

**SPOTLIGHT ON  
TAC ECONOMICS WORKS**

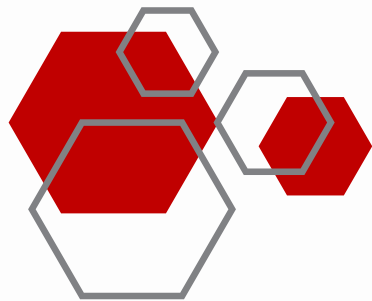

**JANUARY 2024**

# Our current topics of interest

**TAC ECONOMICS has recently been working intensively on the following subjects:**

- Analysis of China's economic perspectives for 2024
- Study on the implications of China-Taiwan tensions on world trade in a post-election context
- Analysis of developments in the French real estate market
- Reading Argentine risk with the Presidency Javier Milei
- Kenya: global outlook and quantification scenarios for the short and medium term

# Spotlight on our projects

- Development of a country risk web platform to display gross indicators and ratings and to rank risk according to various parameters
- Development of a forward-looking financial performance tool based on relevant macroeconomic and end-market indicators, providing monthly monitoring of sales prospects
